"RPE provides a low total-cost-of-ownership POS solution. We found that RPE provides a great mix of advanced features and basic restaurant and quick-serve functions in one easy-to-set-up and use package, and can change with us as we grow."

- Brian Secret, Owner of Gelateria Dolce Crema-

Ice Cream Shops

Dairy Queen of Lakin, Kansas has grown considerably over the last 9 years. According to Bret Graham, owner of DQ, "Last year was our biggest sales year ever. I am thoroughly convinced that it is no small part due to Restaurant Pro Express and how it makes our job of serving customers easier." RPE has also significantly cut down DQ training time and expense to almost 0. Now with RPE and touch screens, new employees quickly learn the system and walk through the order taking process step by step.

"Got retail and a restaurant. Matthew Rupena hunted down a single platform that could do both. PC America's Cash Register Express runs in Rupena's Fine Foods, while Restaurant Pro Express operates Rupena's Summit Café. "It simplifies our management," says Rupena. "Any manager can go to any location and use the software on the reporting side."

- Hospitality Technology Magazine, September 2005 -

PC America is everyone's #1 Choice,
"Restaurant Pro Express is very simple to use. I can add or take out menu items very quickly. It is also a very stable system. I never have to worry about debugging it or going out to get it fixed. All the help I need is over the phone."

- Joe Patel, Owner of Kaleidoscoops -
