NEW POS Platforms

For secure and professional organization of POS peripherals

Features:

- Seamless integration to cash drawer
- Skid-proof design, no drilling into cash drawer required
- Easy installation - practical integration of most major brand peripherals
- Secured mounting for VESA® compatible mounts and 2-line pole displays
- Hidden cable management protection
- Allows left or right placement of peripherals
- User adaptable for close proximity to touch screen terminals or tablet enclosures

Advantage® Cash Drawer with Platform*

MediaPLUS® Cash Drawer with Platform*

Platforms provide secure POS peripheral placement with hidden cable management for a clean, professional presentation. Use with the Advantage® 21"D or MediaPLUS® 20"D cash drawer.
