CR6000 Series Cash Drawer

CR6000 Series Cash Drawer

The CR 6000 Cash Drawer Series is the latest offering from Posiflex. It inherits the embedded powder coat anti-scratch finish from its predecessor, the popular CR4200, which protects the surface from normal wear and tear that often results in discoloring or permanent scratches.

The CR6000 comes with 5 coin and 5 bill fixed compartments and includes the patented "screwless" tamper-resistant design Posiflex is known for.

The chassis and drawer have a durable metal construction with an expected 1 million MTBF open/closes for longer-life expectancy.

Model	CR6210B	CR6214B	CR6215B
Dimensions	16.85" x 18.11" x 3.94"		
Weight	7.0kg / 15.34 Lbs.		
Bill Compartment	Five (5) Fixed		
Coin Compartment	Five (5) Fixed		
Coin Roll Compartment	Rear Cash Tray		
Media Slot	Yes - Non Cash and Large Bill		
Color	Black (Charcoal - Special Order)		
Interface	Printer Interface	Serial Interface	USB Interface

CR6000 Features:

- Rugged design with reinforced heavy gauge steel construction
- Durable Anti-Scratch embedded powder coat finish
- Innovative "Screwless" tamper-proof design
- Advanced electronics that extend the MTBF (Mean Time Between Failure)
- Larger ball bearing design with special guides for smooth operation
- Precision mechanical tolerances assure wobble-free installation
- Maximum security three (3) position lock design
- WEPOS Certified (Microsoft Embedded For Point-Of-Service)
