

# STEELMASTER 1060

Steelmaster 1060 Manual Cash Drawer, with Tray Cover. The 1060 Manual Cash Drawer is ideal for high traffic areas because it features a convenient "touch button" release for faster transactions! It also has a disc tumbler key lock, for extra security. An alarm bell sounds each time the drawer is opened; it can be de-activated if necessary. Space saver size fits under most cash registers or counters and comes with a locking cash tray cover. NOTE: Under Counter Bracket (Included)
