

Your New Competitive Edge

Advantage™ Cash Drawer

78% of retailers in a recent survey identified the checkout area as the best place to reduce shrinkage.

The **MMF™ Advantage™** Cash Drawer with media slots comes standard with **LockIt™**, a fully-integrated, secure cash drop compartment. Designed as your customer's new front line in reducing cash shrinkage, **LockIt™** enables cashiers to secure cash quickly, even within a transaction.

Convenient. Discrete. Exposed cash is kept to a minimum. Guests feel safer. Cashiers worry less about unauthorized removal of notes during their shift.

The **Advantage™** Cash Drawer gives you an opportunity to exceed expectations in competitive situations. And because it has a positive impact on the customer's bottom line, you have a significant new business opportunity to convert your installed base.
